And

East Central College

This degree- to -degree articulation agreement is the result of joint meetings of Central Methodist University (CMU) and East Central College (ECC). CMU and ECC both value the cooperative agreement and agree that such articulations best serve the students of both institutions.

Conditions of the Agreement

Section I: Admissions and Transfer

Such an addendum will go into effect when signed by the administrative representative(s) of each institution. Degree course plans will be reviewed jointly, on a periodic basis, and modified to reflect any changes in the degree requirements. Additional course plans will be added as developed.

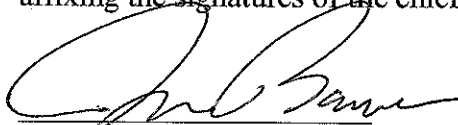

Terms of the Agreement

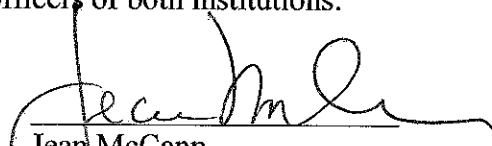

This agreement becomes effective in the Spring 2013 academic year and remains in effect unless changed in writing by mutual agreement of CMU and ECC. The agreement can be amended at any time with the approval of both institutions. Should either institution desire to discontinue this agreement, advance notification of two years will be required.

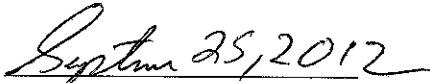

Both institutions hereby indicate full agreement to the terms and conditions included above and the honoring of the course, program, and other requirements outlined in the advising forms and degree plans as attached to this agreement. CMU and ECC agree to meet regularly to discuss this articulation agreement and revisions, as needed.
