^{*}Due to the constraints of the above table (see note below), please refer to Section 2.3 for a true representation of dual credit and dual tech credit data.

Note: each student type is mutually exclusive of all others, e.g., a dual credit will only be counted in the dual credit category even though the student may also be taking a dual tech credit course. Additionally, any non-dual credit coursework will be included in the total credits for the student type (e.g. a dual credit student taking a non-dual credit course, such as a web course, will have those credits included in the total credits for the dual credit student type).

First Time: Students enrolling in classes for the first time at ECC.

Transfer: Students transferring for the first time to ECC.

Continuing: Students who were enrolled in the previous spring term and who have returned to take classes this term. **Returning:** Former ECC students who were not enrolled in the previous fall term, but who have enrolled in classes this term.
