

Health Info Management

Guided Pathway to Success - Year 1 (Certificate of Achievement)

The Certificate of Achievement in Health Information Management (HIM) prepare students to fill a pivotal role within the outpatient healthcare environment. HIM professionals are the essential link connecting the clinical, operational, and administrative functions. Skilled HIM professionals ensure an organization has the right information on hand when and where it is needed. The one-year certificate is fully on-line accepting part-time and full-time students. The certification is a stackable pathway towards the Associate of Applied Science degree in HIM. Upon certificate completion students are eligible for the AHIMA certification exam Certified Coding Associate (CCA).

Prerequisites/General Education: Students must have a "C" or better in coursework.

Extra-Curricular/Co-curricular Opportunities at ECC: ECC offers a wide variety of clubs and co-curricular activities for all students.
