Note each student type is mutually exclusive of all others; e.g., a dual credit will only be counted in the dual credit category even though the student may also be taking a dual tech credit course.

First Time: Students enrolling in classes for the first time at ECC.

Transfer: Students transferring for the first time to ECC.

Continuing: Students who were enrolled in the previous Spring term and who have returned to take classes this term.

Returning: Former ECC students who were not enrolled in the previous Spring term, but who have enrolled in classes this term.

2.2. First Time Degree Seeking Students

Headcount

First Time Degree Seekers	
19/FA	642
18/FA	651
+/- DIFF	-9
% DIFF	-1.4%

To be considered a first time degree seeking student a person must meet the following criteria:

1. ECC is the first college they have attended since graduating from high school.
2. Current term is their first at ECC after high school graduation. However if it is the Fall term and the student attended the college in the summer of that year then they are still considered 'first time'.
3. The student is enrolled in a program that will lead to an award of a certificate or a degree.

There are an additional 53 students who are considered “dual enrollment” only. These students differ from dual credit students because they are high school students who are enrolled in our traditional on campus or online courses. These students are not included in the table above.
