## Updates

SHARING PROGRAM INFORMATION

### HIM program changes this academic year!

- The HIM program has officially moved to the **Health Sciences Division** under Dean Nancy Mitchell, Director of Nursing & Dean of Health Sciences.
- Implementation of the **Healthcare Security** Certificate of Specialization (CoS) pathway.
- The ECC HIM program was selected to participate in the CAHIM Demonstration Project for the new **future education model**.
- **CAHIM training** to start February 2024 for HIM faculty.
- The **HIM Student Organizational Club** has been reactivated.

---

## New HIM Student Board Member Alert

ACADEMIC YEAR 2023-2024

President - Madeline Baird

Secretary - Katie Johnson

Treasure - Juley Wright

Club Representative - Elizabeth Brockett

*Goals: Plan professional networking opportunities along with providing a community service project.*

# An Industry First

**THIS IS BIG NEWS FOR HIM AND CIS PROGRAMS - DON'T BE LEFT BEHIND!**

A one semester, 16 credit hour, Healthcare Security, CoS was developed. This could be a stepping stone into HIM or CIS, or obtain the additional CoS! Courses are stackable towards the AAS degree with the exception of one course. This was a collaborative effort between the two programs at ECC. Watch for future ideas!

## Work with us

We are looking for industry leaders to assist and provide professional practicum experience for the students. If that is too time consuming consider a coffee chat on Zoom with the HIM Student Organization.

ECC Foundation - HIM Scholarship  
Please join the continued quest to make a difference in the lives of HIM students and grow our scholarship fund. Simply email [foundation@estcentral.edu](mailto:foundation@estcentral.edu).
