

# ADULT LEARNER Technology Orientation

*Let's Get You Ready for Success!*

Jefferson College 

**Starting (or restarting) school can  
feel overwhelming, and you're not alone.**

This relaxed, friendly orientation offers our adult learners a chance to explore the Learning Management System (LMS) and Google tools at your own pace. No pressure, just time to get comfortable, ask questions, and build confidence before classes begin.

*Support is available every step of the way!*
