

CAMPUS CONNECTIONS

BETWEEN

AND

MISSOURI
S&T

WELCOME STUDENTS TO CAMPUS CONNECTIONS

Campus Connections Students,

**On behalf of both of our
campuses, we welcome
you to the innovative
new ECC & S&T Campus
Connections program.**

We believe every student has their own pathway to post-secondary education and we know that Campus Connections is one of several great ways for students to succeed as they pursue an associates and/or bachelor's degree. Our teams are committed to helping you succeed academically AND be involved on campus as you pursue coursework at our institutions. Both academic success and meaningful involvement are two key areas that will directly help you meet your career and life goals. The Campus Connections Guidebook gives you all the information you need to achieve both. If you have questions, please reach out to our Admissions offices or any of the resources referenced in the Campus Connections Guidebook....we are all here to help!

Best wishes with your college career....your first step to becoming an alumnus of S&T and ECC!

Sincerely,

Lynn Stichnote & Nathaniel Mitchell

Director of Admissions, Missouri S&T

Director of Admissions, East Central College

EAST CENTRAL COLLEGE

Student Life

Student Activities

Mission

Mission: To offer ECC Students an opportunity to get involved on campus in various clubs, organizations, and activities. You get out of ECC what you put into it ECC...So Get Involved! The ECC Student Activities Office oversees all of the student clubs on campus, as well as the ECC Student Government. We also plan other programs, like organization workshops, trainings, social events, intramurals, and more. For more info contact the Student Activities Office at courtney.henrichsen@eastcentral.edu, check out the Student Activities Facebook Page, or stop by the office on the 1st Floor of the Shook Student Center Room 104 next to the Cafe.

Student Clubs and Associations

The clubs listed are currently active. Clubs retain their active status by maintaining a roster of five members each semester. Each club is also required to have a faculty of staff sponsor. Students with a particular interest are encouraged to start their own clubs. Fill out the form at the bottom of this page: eastcentral.edu/student-activities/clubs-and-organizations/

The majority of the clubs listed are active on the ECC campus in Union. Clubs at ECC's Rolla location are so noted.

Anime Club: To expose the exciting world of Japanese animated television to the unaware.

Art Club: To create a vision of community around the arts.

Collegiate DECA: DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality, and management in high schools and colleges around the world.

Collegiates for Christ: Our mission is to provide teaching and fellowship for those in search of it.

Engineering Club: To provide an environment for students to explore science and engineering while serving ECC and the engineering program.

ECC Student Media: The ECC Student Media Club provides students interested in writing and visual expression with a voice on campus. Club members may hold staff positions on the student newspaper, The Cornerstone, and help maintain its accompanying website. They may also help produce the annual ECC Literary Review. Writers, editors, photographers, graphic designers, and artists of any kind are encouraged to get involved.

National Association for Music Education Collegiate – Chapter 6653

(NAfME): The purpose of NAfME Collegiate is to afford students an opportunity for professional orientation and development while still in school, and to enable students to gain an understanding of: (1) the basic truths and principles that underlie the role of music in human life, (2) the philosophy and function of the music education profession, (3) the professional interests of members involved in the local, state, division, and national levels, (4) the knowledge and practices of the professional music educator as facilitated through chapter activity.

Phi Theta Kappa: Chapters at the Union Campus & Rolla Location Phi Theta Kappa is the international honor society for the two-year college. Members pursue activities that fall under the direction of the society's hallmarks of Scholarship, Leadership, Service, and Fellowship. Phi Theta Kappa membership is by invitation only and is based on attaining a 3.5 GPA as a full time student for a semester. Members must maintain an overall GPA of 3.2.

Psychology Club: The ECC Psychology Club is a student organization for all who express an interest in the Psychological Sciences. The goal of this club is to offer opportunities to increase understanding of the field, provide community service, and enrich students' social experience.

Rotaract: To give future young professionals the opportunity to volunteer their time to help the community. Rotaract is a Rotary sponsored service club.

The R&R Club: To provide relief via recreational activities—such as video gaming, tabletop games, watching movies, etc.—from the stresses of college life, and to promote a balance between academics and fun.

SAHIM (Health Information Management Club): To promote the field of health information management and provide opportunities for individual growth, leadership and career preparation in HIM.

Social Justice League: Clubs at the Union Campus & Rolla Location Mission: Through education, outreach, and activism, the Social Justice League is committed to broadening awareness and appreciation of diverse social issues on and off campus.

Spanish Club/Hispanic Culture Club: The mission of the Spanish Club is to encourage appreciation of Spanish and Latin American culture. The members of the Spanish Club will sponsor culturally-related events along with opportunities to speak Spanish outside of the classroom. Participation in this club will promote awareness of humanitarian causes, both locally and internationally.

Student Government Association: Clubs at the Union Campus & Rolla Location Mission: To represent the student body in all facets of college life and promote a close relationship with the administration, faculty, and student body for the general welfare of the college. Officers at both locations coordinate various activities and community service events.

Student Missouri State Teachers Association: Clubs at the Union Campus & Rolla Location Mission: To provide a pre-service organization for future teachers and create a community within the group of students majoring in education. The organization works with MSTA on current trends and issues which affect the role and welfare of teachers in a democracy.

Student Nurse Association: Clubs at the Union Campus & Rolla Location Mission: To promote teamwork and leadership skills among student nurses while working to promote health in the community.

Z.E.D. (Zombie Extermination & Defense): To raise zombie and disaster awareness and to provide an opportunity to learn how to resist and survive such situations while creating a fun and friendly environment.

***Labor market and wage information**

***Information on available Internships in the area**

***Information on local job fairs**

***Tutoring** is offered Monday-Thursday in all content areas and cognitive study skills

ALL SERVICES ARE FREE OF CHARGE!

If you have any questions or would like more information, stop by office 156 in Buescher Hall or contact: Steffani McCrary – Academic Advisor/Career Services at **636-584-6569** or **steffani.mccrary@eastcentral.edu** or contact Lisa Eppe – Career Services Secretary at **636-584-6568** or **lisa.eppe@eastcentral.edu**. For more information please go to **eastcentral.edu/career/**.

Academic Assistance

eastcentral.edu/current/

Our Enrollment Services Coordinators can assist you with questions about: Admissions, Academic Advising, Financial Aid, Transfer, and Career Services. We offer the following services to students, alumni, and community members:

***Career Interest/Skill/Value Exploration**

***Resume/Cover Letter/Interviewing Assistance**

***On-line electronic job board accessible 24 hours a day** – post your resume or look for jobs/internships (students & alumni)

***Physical (printed) Job Board at Union Campus**

Student Counseling

Short-term professional counseling is available for students whose performance is hampered by personal, educational, or career concerns. As needed, counselors will refer to community resources for further assistance. Counseling is free of charge, individual, confidential, and solution-focused.

Services:

Individual Counseling
Referrals to Community Resources
Educational Programs
Crisis Intervention
Online resources/self-assessments/ resources
Consultation for faculty and staff

Contact: Student Service Center at **636-584-6588**.

Access/ Disability Services

eastcentral.edu/access/

ACCESS Services at East Central College provides services for students who have documented disabilities.

Follow the steps below to receive Access Services:

1. Fill out the Access Application on the webpage
2. Submit documentation of your disability
3. Register for classes
4. Schedule an appointment (each semester) to meet with Access personnel to complete and discuss forms

Mission Statement: The Access Services Department at East Central College strives to provide an equal opportunity to learning by implementing appropriate accommodations. These accommodations may include, but are not necessarily limited to, use of adaptive technology, environmental modifications, alternative testing arrangements, notetakers, and use of prerecorded media.

Our staff is here to help students grow personally and assist them in assuming individual responsibility for their academic, career, and life goals.

We firmly believe that everyone deserves an equal opportunity, and access to higher education.

The Learning Center

eastcentral.edu/learning-center/

The Learning Center (TLC) at East Central College is a comprehensive student and community resource center for educational assistance including tutoring, college success coaching, Testing Center, Adaptive Technology Lab, and computer lab for academic use. We offer free tutoring in writing, math, science, and many other subjects. With College Reading and Learning Association (CRLA) Level II trained tutors available in most subjects, we are qualified to assist any student or community member with academic needs.

For more information or to schedule an appointment, call us today at **636-584-6688** or stop by The Learning Center on the first floor of Buescher Hall.

Hours: Summer session:

Monday – Thursday 7:30 am – 6:30 pm

Friday 7:30 am – 2:00 pm

Interim (when classes are not meeting):

Monday – Thursday 7:30 am – 4:30 pm

Friday 7:30 am – 2:00 pm

Athletics and Physical Education

sports2.eastcentral.edu

East Central College offers NJCAA varsity sports in women's volleyball, women's softball and men's soccer. The athletic department competes in NJCAA Region 16 and the Missouri Community College Athletic Conference. Each of the three teams are highly competitive and have won multiple region titles over the past decade. Student athletes from East Central College are very driven on their respective sports and in the classroom.

Students can take physical education classes in the fitness center located in the Donald Shook Student Center on the Union campus to improve their overall health and wellness while attending East Central College. The fitness center has many Life Fitness cardio and weight machines in a spacious facility.

A+ and Financial Assistance

eastcentral.edu/finaid/

By choosing to attend East Central College you have made a smart educational and financial decision. East Central College offers a high quality education at a low cost. However, we realize that even though the cost to attend East Central is one of the lowest in the state, you may still need financial assistance. This information will help you find ways to lessen the financial burden of attending college.

Financial assistance is provided through many forms. Through a process of careful planning and preparation, higher education can be an obtainable goal. Each student must take the responsibility to review his or her goals, evaluate their family's financial situation and determine a course of action. Fortunately students do not have to do this entire process alone. The Office of Financial Aid is here to help you determine your course of action!

Contact us with any questions at **636-584-6588**.

300 W. 13th St.
Rolla, MO 65409-1060

mst.edu

MISSOURI S&T Academic Assistance

There are many sources of academic assistance at Missouri S&T that students can access to improve their proficiency with course material and learning processes. Professors can clarify concepts or refer students to peers or resources that can provide academic assistance.

Counseling, Disability Support & Student Wellness Center

counsel.mst.edu || dss.mst.edu
studentwellness.mst.edu

Personal counseling is available to S&T students free of charge on a time-limited basis. Confidential services are provided by professionally trained and licensed counselors and psychologists.

Some students seek support as they adjust to college life, explore family or relationship situations, or to reduce feelings of depression or anxiety. Others wonder about the choice of academic major or professional goals. Still others struggle with issues such as motivation, procrastination, or test anxiety that interfere with academic success.

Staff members collaborate with students to help clarify and address issues, support existing strengths and arrange referrals when appropriate. The Van Matre Resource Center offers excellent self-help materials covering a wide range of topics available for checkout.

Student Wellness provides students education, information and resources on: Alcohol & Other Drug Prevention; Stress Management & Mental Health Promotion; Violence Prevention; Healthy Relationships & Sexual Health; Healthy Eating, Physical Activity, & Sleep. Student Wellness promotes healthy behaviors to foster a campus environment conducive to academic, professional, and personal success by addressing both individual and environmental influences on health and well-being.

Disability Support Services provides academic accommodations for students with disabilities in order to provide equal access for educational opportunities. Services available to qualified students can include classroom

adaptation, alternative testing, and assistive technology. If you have a documented disability, please contact DSS to request accommodative services. More information can be found at dss.mst.edu.

Testing Center

testcenter.mst.edu

The Testing Center provides the campus with a variety of testing programs including College Level Examination Program (CLEP), distance education online tests and national/professional certification testing. A range of personality, interest, and skill assessment instruments are available to assist Counseling Center clients with personal, academic, and career concerns. Testing accommodations for self-identified students with a disability are also available.

Math Learning Center

math.mst.edu

Can't get your trigonometric equations to inverse or having trouble determining your determinates? Get help finding the solution in the Math Help program offered by the Mathematics and Statistics Department.

Math Help offers academic assistance in ten courses. Every weekday you can find trained graduate students at the tutor room and other locations across campus—to help you comprehend your math homework and class discussions. Visit math.mst.edu to find the Math Learning Center schedule and location.

Learning Enhancement Across Disciplines

lead.mst.edu

The LEAD program offers learning forums for students who wish to improve their understanding of concepts and their mastery of skills in a wide variety of foundational courses.

Student-oriented learning centers are staffed by discipline-based faculty and accomplished undergraduate peer learning assistants who guide students in the learning process within an atmosphere of cooperative engagement and teamwork.

Drop-in peer tutoring is also provided for students who are more responsive to individualized or small-group learning environments.

Writing Center

writingcenter.mst.edu

Missouri S&T's Writing Across the Curriculum program is based on the idea that writing well is a developmental process, not a simple skill that can be learned in one semester or course. Furthermore, S&T alumni often emphasize that graduates must have solid communication skills—particularly writing skills—to succeed in today's workforce. For these reasons, S&T emphasizes writing in all areas of undergraduate study—not just English.

The Writing Center provides trained writing tutors to help students from all disciplines improve their abilities to write, revise and edit assignments and professional documents effectively. Adjacent to the Writing Center is the Center for Writing Technologies—a state-of-the-art computer learning center geared toward writing.

Canvas Support

edtech.mst.edu/support/canvas

Like Blackboard, Canvas is used by instructors to manage course content, post grades, distribute assignments, and perform other associated teaching tasks within a web-based environment.

Nearly anything that can be done in a face-to-face, paper-based course can be done within Canvas.

S&Tconnect

blackboard.mst.edu

Missouri S&T is committed to the success of its students by providing an environment conducive to teaching and learning. To ensure that every student takes full advantage of the educational opportunities and support programs on campus, S&T (along with the other 3 campuses) has implemented S&Tconnect which can be found in Blackboard.

Early Alert is part of S&Tconnect which improves the overall academic success of students by improving communication among students, instructors and advisors in cases where students are not meeting academic course requirements.

When an Academic Alert is issued, an email is sent to the instructor, the student and the student's advisor. Students may receive Early Alerts for lack of attendance, low quiz/test scores or low homework scores.

Another piece to S&Tconnect is connected with advising. Many faculty use S&Tconnect to set office hours for their classes or for advising appointments. Go to Blackboard and setup your S&Tconnect institutional profile.

Your Academic Advisor

Your academic advisor plays an important role in your success. He or she helps you select courses each semester, evaluates your academic progress, resolves any academic performance problems and helps you explore career options.

If you have concerns about any aspect of the university, your advisor can guide you to the proper resources. Developing a professional relationship with your advisor is important.

As the student, you are responsible for initiating and maintaining regular contact with your advisor. Meetings with a clear purpose promotes the best interactions. However, occasional visits for casual conversation will help you and your advisor become acquainted. An advisor who knows you well might even serve as a future job reference.

BURNS & MCDONNELL STUDENT SUCCESS CENTER

198 Toomey Hall || 573-341-7596
studentsuccess.mst.edu
Hours: 8:30am - 5:00pm

The Burns & McDonnell Student Success Center (B&MSSC) is a one-stop shop that serves all S&T students as a campus resource. We provide high quality customer service, effective information, and support as you persist in your journey towards your educational goals.

The B&MSSC offers a quiet environment where you can relax and study between classes, grab a cup of coffee, surf the internet, or checkout a whiteboard to use as a study tool. Throughout the semester, we offer programs and activities to help enrich your educational experiences and success. Our goal is to get you connected to resources so you can make the most of your time at S&T.

Services offered include:

- Peer tutoring
- Student success coaching
- Online study tools & inventories
- Department referrals
- Success plans

Whether you are tackling academic struggles, or seeking ways to broaden your learning experiences at Missouri S&T, it's our job to listen and help maximize your options. If you have questions, the staff in the Student Success Center can find the answer.

For more information visit studentsuccess.mst.edu or connect with us via facebook.com/SandTssc or twitter.com/sandtssc.

STUDENT VETERANS RESOURCE CENTER

Ground Floor of Baptist Student Union
svrc.mst.edu || 573-341-6117

The Student Veterans Resource Center is to serve all Missouri S&T student service-members and veterans as a campus resource that will provide high quality customer service, effective information, and support as students persist in their journey towards their educational goals.

Connect with us via facebook.com/sandtsvrc.

MISSOURI S&T

Campus Living reslife.mst.edu

Research has shown a positive correlation between academic success and campus and community involvement. Students who are involved tend to be more academically successful, experience more personal growth and are generally more satisfied with their college experience.

S&T Residency Policy

Campus Housing Requirements

- Students who are taking part-time (less than 9 hours) S&T credits are not required to live on S&T's campus.
- Students who are taking 9 or more hours of S&T credit and do not meet current residency requirements to live off campus are required to live on S&T's campus.

Residency Requirements to live off campus:

To live off campus you must meet one of these requirements.

- Completion of 60 or more college credits.
- Completion of 4 full time academics semesters.
- Residing with immediate family in approved school district: Belle, Bourbon, Crocker, Cuba, Dixon, Laquey, Licking, Newburg, Owensville, Richland, Rolla, Salem, St. James, Steelville, Vienna, Waynesville
- Students who are married.
- Students with one or more dependent children in their custody.
- Students who are military veterans who completed at least two years of full-time, active military service.
- Students over the age of 21.
- Students with physical or psychological circumstances, such that the university cannot provide an appropriate housing accommodation.

Campus Connection students who are not required to live on campus have the opportunity to live in campus housing if they wish. University-approved furnished housing includes: residence halls, fraternities, sororities and the Christian Campus Houses. Furnished and unfurnished campus apartments are also available for upperclassmen and married students.

Safety

Missouri S&T strives to provide a safe and comfortable living community. Safety measures in campus-approved housing include: dead bolt locks, restricted key/card access, building locking procedures, police patrols of the campus, and educational programs to promote personal safety. Additionally, S&T follows guidelines that restrict providing information about students, such as class schedules, phone and room numbers.

What forms should I submit?

Please complete the Housing Application/ Agreement. For more information, contact Residential Life at 573-341-4218 or reslife.mst.edu.

When will I move to Rolla?

As a first-time student, you must arrive at S&T the weekend prior to Opening Week Orientation. As a returning student or a new transfer student, you can arrive at S&T the weekend prior to classes starting.

May I change my mind about where and with whom I live?

You may change your request regarding living in any of the residence halls or Greek houses. Once you have been assigned residence hall space, you are permitted to change rooms after the third weeks of classes. Contact the Residential Life Office to check on space availability and to complete necessary paperwork. University-approved housing options share an agreement to facilitate room changes between residence halls and fraternity and sorority houses.

Residence Halls

Room assignments are available on Joe'SS in mid-July. Your room assignment will include a link to access your campus mailing address as well as your roommate's name, email and phone number.

Christian Campus Houses

web.mst.edu/~ccf

The two Christian Campus Houses provide university-approved housing for male and female students and are located close to campus.

Fraternities and Sororities

studentlife.mst.edu/greek

Of S&T's 28 Greek Chapters, 22 offer university-approved housing with resident capacities ranging from 20 to 100. More than 800 men and 100 women live in a chapter house, which average approximately 35 members each. There is no additional fee for moving into a fraternity or a sorority house, however, rates for room and board vary with each house and are subject to change. Specific questions pertaining to costs associated with Greek residences need to be addressed with each respective chapter.

Fraternities and sororities issue invitations for membership, often called "bids." When you accept an invitation to membership, you signify that you are joining that particular fraternity or sorority. Although you have the option

of living in a chapter house as a freshman, accepting a bid does not obligate you to do so.

Opportunities for women to participate in Formal Recruitment are available during Opening Week Orientation. Freshmen male students have the option to move directly into fraternity houses. All men interested in joining a fraternity – but unsure of their options and preferences – are encouraged to complete a Residential Life Housing Interest form to ensure housing will be provided to them in the fall.

Living/Learning Communities

Voyager

Located in Thomas Jefferson Hall.

The Voyager program is designed for first year students to assist them in being academically successful.

Holistic

Located in Thomas Jefferson Hall.

A community for the whole person, the Holistic Community is designed for students who have a strong interest in personal wellness.

Entrepreneurship and Innovation

Located in University Commons.

The Entrepreneurship and Innovation Community brings together students who are interested in developing skills for thinking creatively and who wish to solve problems in new and different ways.

Honors Housing

Located in University Commons.

The Honors Housing is designed for students who are selected for Missouri S&T's Honors Academy.

Global Awareness Community

Located in University Commons.

This community is designed to develop your intercultural awareness and leadership skills.

BRINGING A COMPUTER TO S&T

it.mst.edu
thesandtstore.com

S&T has over 30 campus computer labs (CLCs) and laptop checkouts are available for student use in the library. Specialized software you may need is also available at CLCs. **However, over 90% of new students bring a computer with them to S&T.**

Consider purchasing your computer through the S&T Store to receive educational discounts on hardware and software as well as warranties that can be serviced on campus. Walk-in IT help is available at the library for computers purchased at the S&T Store.

If you choose to purchase your own computer, recommended hardware specs are online at it.mst.edu. Trouble-shooting and technical assistance for personal devices is available through the IT HelpDesk.

Missouri S&T Campus Services

Accessing Your Computer Account

Every student has access to a campus email address, secure wireless internet, 25GB of network storage, web apps and more. Your S&T username allows access to campus computer resources like Joe'SS, Blackboard and campus computer labs (CLCs). You received a username and password via email when you were accepted for admission to S&T that allows you to access Joe'SS. Once logged in, you will need to reset your password.

If you've forgotten your password or want to reset it, visit the "Forgot Your Password" link at joess.mst.edu or call the IT Help Desk at 573-341-4357 (HELP).

Student email

it.mst.edu

University email is the official channel of communication with students, faculty and staff. For information about how to activate your official university email account, visit the student email section of it.mst.edu. Check your university email account frequently throughout the summer to receive updated information concerning Opening Week, Move-in and financial information.

Joe'SS

joess.mst.edu

"Joe's Self-Service" (Joe'SS) is S&T's online Student Information System. Joe'SS provides access to update student information, unofficial student transcripts, grades, course scheduling, fee statements, scholarship and financial aid information and more.

Curtis Laws Wilson Library

library.mst.edu

Wilson Library provides access to a variety of research materials and e-resources. Our librarians will assist you in finding the sources you need to complete your assignment, too. For in-depth help, you can schedule an appointment for a one-on-one research consultation with a librarian to learn all the ins and outs of using the library's resources for a successful research project. The library is a campus

gathering spot, with coffee, meeting rooms, quiet spaces, and technology support.

The Miner Card

pro.mst.edu/minercard

The Miner Card, your campus ID, is required for all students. Your Miner Card features your name, photograph, signature and emergency contact phone numbers. Your student and campus information is encoded on your card.

Treat your Miner Card with the same care as you would an ATM or credit card. Your Miner Card can be used at the S&T Store and Library; for access to buildings; for on-campus dining; entitles you to sporting and theatre special events; gets you discounts at restaurants, local businesses and more. Lost or found Miner Cards should be reported to the ID Office in 106 Centennial Hall.

Parking

police.mst.edu

Students may bring a vehicle to campus. All S&T parking lots (including residence halls) require a paid parking permit purchased through Parking Lot Operations. Parking is not included with housing costs nor is it a guaranteed space. All students must sign into the on-line waiting list, which opens May 1, to request a permit.

Safety

police.mst.edu

Students at S&T enjoy a relatively safe campus environment; however, crime does occur. Crimes of opportunity (stealing laptops and other items left out in common areas or unlocked rooms) occur most often. S&T's police department is accredited by the International Association of College Law Enforcement Administrators and has state-commissioned officers which provide many services for the campus community. One service provided is a safety escort for students who do not want to walk on campus or return to their place of residence at night alone. In addition, security guards and campus service officers regularly patrol public areas. The S&T Police department is open and available to students 24 hours a day.

University Committee for Assistance, Response, and Evaluation (UCARE)

stuaff.mst.edu/ucare/
studentcasemanagement.mst.edu

Missouri S&T's University Committee for Assistance, Response, and Evaluation (UCARE) was formed a number of years ago following incidents on our campus and at Virginia Tech that highlighted the need for greater communication and preparedness regarding troubled students. The Dean of Student Office manages student emergencies and response efforts to student behavior concerns reported through the UCARE. By integrating early education and intervention strategies through case management services, students obtain meaningful support that promotes a positive campus experience for all.

Campus Emergency Alert System

Opt-in to receive text message or voicemail alerts in the event of a campus emergency. After logging into Joe'SS at joess.mst.edu, look for the "Emergency Mass Notification" link in the left side menu to sign up for the service, or update your contact information.

Why should you opt-in to the emergency alert system?

- You'll receive emergency news and updates regardless of where you are on or off campus
- The system is used ONLY for true emergencies (natural disaster; human or technological crisis); and once a semester for a system test
- The service is free, but your cell carrier's rates for text and incoming calls will apply

You can update your contact information anytime at joess.mst.edu. Your contact information is kept secure and confidential and will NEVER be used to spam you.

RAVEGuardian

Missouri S&T launched Rave Guardian, a free mobile app that turns your smartphone into a personal safety device. By downloading Rave Guardian on your mobile device, you can invite friends and family to join your network as your "Guardians." Learn more at mstalert.edu/raveguardian.

Student Health Services

studenthealth.mst.edu

Student Health is designated as an acute care and intermittent health clinic and offers a wide range of primary health care for S&T students. We recommend that all students have health insurance. An optional student group plan for accident and sickness insurance is available.

For more info regarding immunization policies for Measles & Rubella, Meningitis, and Tuberculosis contact Student Health Services at mstshs@mst.edu.

Confidentiality Policy

registrar.mst.edu/ferpa

In accordance with the Family Education Rights and Privacy Act of 1974 (Buckley Amendment), Missouri S&T restricts release of a student's educational records to directory information only.

A student has the option to also restrict the release of directory information. S&T designates as "directory/public information" the following: student name, email address, address (including local and permanent), telephone, major field of study, participation in officially recognized activities and sports, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, student level and full- or part-time enrollment status.

Additional information about the guidelines governing the protection of the privacy of student records can be found online at registrar.mst.edu.

Additional Authorized Access (AAA)

registrar.mst.edu

S&T students can grant other users direct and authorized online access to their student information in Joe'SS, which may include:

- **Student Account Information** - Grants access to view current and past charges.
- **Academic Information** - Grants access to view Class Schedule, Grades, and Transfer Credit information.
- **Directory Information** - Grants access to view address, e-mail, and phone information.
- **Financial Aid** - Grants access to view financial aid information. This includes information about awards, loans, scholarships, fellowships and work study jobs that you have received or have been offered. If you have applied for financial aid, it includes information about the status of your application.

Financial Literacy

sfa.mst.edu/finlit/

The Student Financial Assistance Office and S&T Peer Counselors help provide numerous resources to encourage financial wellness. Through our Miner Money Management program, we host a number of events each year on financial education topics such as:

- Budgeting
- Exploring Scholarships
- Loans 101

Facebook: Missouri S&T Student Financial Assistance Office

Twitter: @SandT_SFA

STUDENT AFFAIRS

stuaff.mst.edu

The Dean of Students Office plays an important role in maintaining and enriching a sense of community at Missouri S&T. We are a well-connected community of students, staff, faculty, alumni and friends, bound together through a shared experience and a passionate desire to lead lives of principled achievement and purpose.

Our team is here to assist students in making the most of their Missouri S&T experience.

We are committed to fostering a safe and inclusive campus community through outreach, developmental education and engagement. As the moderator of the campus community, we uphold University values and standards through educational initiatives that support students in their development to become career ready graduates. We produce leaders who influence the world and make a difference for the better, wherever they find themselves.

Visit us online for more information regarding:

Dean of Students Office
dos.mst.edu

Parent and Family Relations
parents.mst.edu

Parental Notification Policy
www.umsystem.edu

**Missouri S&T Nondiscrimination
Statement Title IX: Sexual
Discrimination, Harassment, Violence**
titleix.mst.edu

Missouri S&T does not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, age, disability or status as a protected veteran. The University affirms its commitment to providing equal opportunities by establishing the Equal Opportunity policy statement.

The University's nondiscrimination policy applies to any phase of its employment process, any phase of its admission or financial aid programs, or other aspects of its educational programs or activities. Further, this policy applies to sexual violence or sexual harassment, both forms of sex discrimination, occurring within the educational program and instances occurring outside of the educational program if the conduct negatively affects the victim's educational experience or the overall campus environment. S&T's Title IX Coordinator is Shenethia Manuel, J.D., Vice Chancellor, Human Resources, Equity and Inclusion, manuel@mst.edu.

Students must complete Not Anymore, a training designed to help students recognize and prevent sexual discrimination, by the last day of classes of their first semester. They must earn at least a 70% on the program. To access the training, visit:
titleix.mst.edu/notanymore.

Career Opportunities and Employer Relations

career.mst.edu

Learn more online:

- Cooperative program (co-op)
- Career Fair tips
- MinerJobs
- Workshop schedule

Career Opportunities and Employer Relations (COER) is the bridge between employers, students, and alumni of S&T. Professional staff ensure that students and employers are successful in their career and hiring needs.

Because employers often hire graduates with prior work experience, many S&T students obtain summer internships or co-ops in their field of study. Two career fairs are hosted each year where hundreds of recruiters come to campus to talk face-to-face with students about co-op, internship and full-time job opportunities, and accept students' resumes.

Looking for a job?

career.mst.edu

Many students pursue on-campus jobs while they're in school to provide extra spending money, gain professional experience and build their resume.

Part-time on-campus employment opportunities are posted online at the COER website. Check the site often, it changes every day.

Havener Student Center

havener.mst.edu

The Havener Center—S&T's student and community center—is the 'living room' of the campus. Havener offers a food court, bookstore, lounge and study space, meeting and conference rooms and offices/workspaces for nearly 200 student organizations.

Student Diversity Programs

sdowp.mst.edu

- American Indian Science and Engineering Society
- National Society of Black Engineers
- Society of Hispanic Professional Engineers

Student Diversity Programs (SDP) actively assists in supporting and retaining students from ethnic populations that are historically underrepresented in science, technology, engineering and math careers. SDP's ultimate goal is to create an environment that provides the development, guidance and academic support needed to be successful at S&T. The office also helps promote awareness about diversity-related issues to the campus community.

Women's Programs

sdowp.mst.edu

- Society of Women Engineers
- Women in Science and Engineering

Women's Programs helps students excel. As part of Women's Programs, the Women in Science and Engineering (WISE) program coordinates scholarships for women majoring in the sciences, math, computing and engineering and provides mentoring and networking opportunities. The student chapter of the Society of Women Engineers offers opportunities to interact with practicing engineers and meet with other engineering students. A Women's Speakers Bureau is available to all campus groups.

Performing Arts and Cultural Events

lcprograms.mst.edu

S&T offers a wide variety of opportunities for enjoyment and participation outside of classes. Many musical performing groups are available for singers and instrumentalists who play bowed strings and wind instruments. S&T's theater program presents one major production each

semester, several one-act plays and improvisational comedy. Hit movies and international films are shown throughout the academic year. Small and large concerts, comedians and other entertainment are coordinated by students.

Leach Theatre

leachtheatre.mst.edu

Leach Theatre, located in Castleman Hall, offers students world-class entertainment.

The Campus Performing Arts Series (CPAS) and Remmers Lecture Series bring in symphonies, lectures, solo artists, live theater, Broadway touring shows and dance troupes to the Leach stage. All Campus Performing Arts Series performances are free to the first 75 students presenting an S&T student ID.

The Leach Family Series offers presentations and performances of interest to S&T students. The Leach Special Events Series offers discounted ticket prices for students to performance artists, musical groups, solo artists and theater groups.

Athletics and Recreation

sports.mst.edu // rollacity.org

S&T offers 14 NCAA Division II varsity sports. Campus sporting events provide a great opportunity for students and the entire community to promote pride, unity and team spirit for the Miners. S&T offers 20 intramural sports, aerobics classes and many informal recreational activities to encourage fun and fitness at the new Fitness Center. Outdoor equipment is also available for rent to students interested in exploring the many beautiful rivers, state parks and national forests of Missouri.

Information on city services such as parks, hiking/biking trails, tennis, skate parks, The Centre, community events and more is available at rollacity.org.

Student Activities

studentlife.mst.edu

Located in the Student Involvement and Leadership Center (SILC), Student Life provides developmental resources, administrative support and advisement to more than 200 student organizations. Numerous campus activities are offered daily to enrich the student experience and contribute to an inclusive campus community.

Student Council

stuco.mst.edu

Student Council is the primary governing body for the students of S&T. There are many opportunities to participate in varying levels of leadership.

- Be a student representative
- Serve on the executive committee
- Be an elected officer

All students are encouraged to consider becoming a part of Student Council.

Experiential Learning

ugs.mst.edu

Experiential Learning is the foundation of a broad-based Missouri S&T education. Experiential learning activities are designed for students to go beyond mastering basic skills and knowledge in the application of that material to problem solving challenges. These activities involve collaboration and reflective learning and allow students to learn in environments that align with their aptitudes.

Student Design Teams

design.mst.edu

The Student Design and Experiential Learning Center (SDLEC) serves as the business incubator and support center for fourteen multi-disciplinary student-managed design teams. The SDLEC is housed in the Kummer Student Design Center, a new facility that provides design team members with advanced computer design labs and software, a complete manufacturing and testing center, business offices and logistical assets, along with the technical, marketing, communication and fundraising support necessary to prepare students for successful careers even before graduation.

Volunteerism and Services

studentlife.mst.edu/volunteer

The Office of Volunteerism and Involvement works to provide students an opportunity to have a positive impact on social issues within the community through service.

Participation in volunteerism demonstrates civic engagement and commitment to one's community—an important part of your personal and professional development.

Study Abroad

studyabroad.mst.edu

S&T offers study abroad opportunities in more than 45 countries.

Students may enroll in full-time academic programs abroad for a semester or a full year. Often educational fees are the same as S&T's on-campus fees.

S&T participates in the Missouri-London and Missouri-Greece programs. Short-term summer exchanges are also available with S&T partner universities in China, Sri Lanka, Australia and South Africa.

Contact a study abroad advisor for more information.

UNDERGRADUATE RESEARCH

ugs.mst.edu

Experiential learning is an essential aspect of S&T's unique learning environment. Undergraduate research is a core component that provides students with out-of-classroom learning experiences that apply classroom knowledge to solving real-world problems.

As new freshmen, S&T students are introduced to undergraduate research programs through introductory courses and seminars.

First-year students learn about research opportunities through a variety of means, including interactions with faculty in their departments and interactions and involvement with peers who participate in undergraduate research programs at S&T.
