CORE Transfer Guide
between
East Central College
and
Northwest Missouri State University

How to Read the CORE Transfer Guide

- ❖ This document should only be used as a guide. Specific degree programs may require directed CORE classes. Advisement is necessary for proper selection of Northwest CORE requirements.
- ❖ Direct equivalents are listed side-by-side.
- ❖ Courses listed under '**other options**' do not have an equivalent course between institutions, but may still be used to satisfy the CORE requirement at Northwest.
- ❖ East Central College courses marked with (*) are listed under two different CORE categories. They may transfer to satisfy **only one** of Northwest's CORE areas, not both.
- ❖ Some courses listed may also have direct equivalents to major-specific courses. These courses may be used as a CORE requirement **or** a major requirement if applicable, but not both.

For a full listing of degree programs, Northwest CORE requirements, directed CORE requirements for specific majors, and course descriptions, please consult the [2016-2017 Northwest Undergraduate Academic Catalog](#) online.

Questions? Contact Transfer Services at Northwest by phone (660.562.1804) or email (teckrich@nwmissouri.edu).
