

# Resources for the Diagnosis of Learning Disabilities and ADHD

This resource information is provided by East Central College as a courtesy, and is not inclusive of all qualified testing centers. It is the individual's responsibility to make inquiries regarding diagnostic processes and fees and to verify information regarding diagnostic sites. Check with your insurance company to see if diagnostic evaluations are covered by your insurance policy. East Central College is not responsible for decisions made by third parties on the basis of diagnostic testing completed by any testing site.
